**Subject: Support for No Higher No Wider I-10 Project**

We are writing on behalf of the Houston Heights Association Board of Directors to express our support for the No Higher No Wider I-10 Project. As residents of the Houston Heights area, we appreciate the efforts to enhance I-10 while minimizing its impact on our community. We believe that this project strikes a balance between infrastructure improvement and preserving the character of our neighborhood.

We urge TxDOT to continue engaging with local stakeholders, including community organizations like ours, to ensure transparency and address any concerns. By working collaboratively, we can create a safer and more resilient transportation corridor that benefits residents and businesses while supporting infrastructure improvement, flood mitigation and traffic safety.

Sincerely,

Katie Tipton  
HHA President
